Many Theravada sources refer to the Pali language as "Magadhan" or the "language of Magadha". This identification first appears in the commentaries, and may have been an attempt by Buddhists to associate themselves more closely with the Maurya Empire. But the four most important places in Buddha's life are all outside of it.

In the English language, the word nigger is an ethnic slur typically directed at black people. The word originated in the 18th century as an adaptation of the Spanish negro, a descendant of the Latin adjective niger, which means black. It was used

derogatorily, and by the mid-20th century, particularly in the United States, its usage became unambiguously pejorative, a racist insult.

Based on the gospel of John: Uses the gospel of John as a template; at the same time, provides necessary background stories to give the gospel context. It assumes the reader knows very little, if anything, about the Bible. Chronological: Begins with the creation of the universe, and then progressing sequentially through key Old Testament stories, it moves into the New Testament to reveal the ...
