TEN JINN BIOGRAPHY . Neoclassical/Prog rock band, Ten Jinn, was formed in the beginning of 1991 by John Paul Strauss and Jimmy Borel. Their first CD, Wildman (produced by brothers Ken and Ivor Francis) was recorded during the next couple of years and, after a good deal of delay punctuated by the band doing a good deal of live performance, the record was finally released in 1996.

The performance of the Eurozone economy is inextricably linked to the health of its banking system. That means the economy will likely stagnate unless European banks can build robust balance sheets, earn a competitive return on equity, and generate adequate capital to support faster growth and innovation.
