These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

I adore number puzzles. Give me a sudoku or a kenken or a paint by number puzzle or a logic puzzle, and I will be in heaven. At the last Tulsa Math Teachers' Circle I attended, I was introduced to a new number puzzle/game: Witzzle Pro. The name is a combination of "wit" and "puzzle": "witzzle". We played several rounds of the game, and each winner got to take home a free c
