Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

The May Fourth Movement (Chinese: 五四运动; pinyin: Wǔsì Yùndòng) was an anti-imperialist, cultural, and political movement which grew out of student participants in Beijing on 4 May 1919. They protested against the Chinese government's weak responses to the stipulations of the Treaty of Versailles, especially it allowing Japan to receive territories in Shandong, which had been ...
