POLICE.pdf – The Reporters Committee for Freedom of the Press

Freedom of the press or freedom of the media is the principle that communication and expression through various media, including printed and electronic media, especially published materials, should be considered a right to be exercised freely. Such freedom implies the absence of interference from an overreaching state; its preservation may be sought through constitutional or other legal ...

Freedom of the press - Wikipedia

Media freedom in Russia concerns both the ability of directors of mass-media outlets to carry out independent policies and the ability of journalists to access sources of information and to work without outside pressure. Media of Russia include television and radio channels, periodicals, and Internet media, which according to the laws of the Russian Federation may be either state or private ...
