Description. The Forensic Anthropology minor introduces students to analyses of skeletal remains, bodily fluids and DNA profiles associated with missing persons cases and violent crimes.

### **Forensic Anthropology - Minor < Kent State University**

Social anthropology is the dominant constituent of anthropology throughout the United Kingdom and Commonwealth and much of Europe (France in particular), where it is distinguished from cultural anthropology. In the United States, social anthropology is commonly subsumed within cultural anthropology (or under the relatively new designation of sociocultural anthropology).
