The word "China" has been used in English since the 16th century. It is not a word used by the Chinese themselves. It has been traced through Portuguese, Malay, and Persian back to the Sanskrit word C?na, used in ancient India. "China" appears in Richard Eden's 1555 translation of the 1516 journal of the Portuguese explorer Duarte Barbosa. Barbosa's usage was derived from Persian Ch?n ...

Chatham House is the origin of the non-attribution rule known as the Chatham House Rule, which provides that guests attending a meeting may discuss the content of the meeting in the outside world, but may not discuss who attended or identify what a specific individual said. The Chatham House Rule evolved to facilitate frank and honest discussion on controversial or unpopular issues by speakers ...
