

## MEETING OF THE MINDS XI

### **meeting of the minds pdf**

Meeting of the minds (also referred to as mutual agreement, mutual assent or consensus ad idem) is a phrase in contract law used to describe the intentions of the parties forming the contract. In particular, it refers to the situation where there is a common understanding in the formation of the contract. Formation of a contract is initiated with a proposal or offer.

I've been obsessing over creating math visuals to assist in building a better conceptual understanding of mathematics. After years of creating images, videos and resources to help this cause, I've created a home to share these visuals to assist teachers, parents and students understand that Math Is Visual and we should make every effort to teach it that way.

No one likes meetings and for good reason. In most meetings, most of the time, most people think most of what goes on is a waste of time. So what if you took out all of the stupid, wasteful stuff and left only the useful parts? Here's the poster from her talk (which you can use): I couldn't find ...
