melanie klein and critical pdf

Object relations theory in psychoanalytic psychology is the process of developing a psyche in relation to others in the environment during childhood. It designates theories or aspects of theories that are concerned with the exploration of relationships between real and external people as well as internal images and the relations found in them. It also maintains that it is the infant's ...

Yves Klein (French pronunciation: ; 28 April 1928 – 6 June 1962) was a French painter and an important figure in post-war European art. He was a leading member of the French artistic movement of Nouveau réalisme founded in 1960 by art critic Pierre Restany. Klein was a pioneer in the development of performance art, and is seen as an inspiration to and as a forerunner of minimal art, as well ...
